To make matters worse, it is not war that they seek, but her hand in marriage!The lords have dispatched their best assassins in a deadly game of courtship. The rules are simple: whoever is able to kill off Mina's loyal lycanthrope companion Akira may claim Mina as their vampire bride! Now, the game is afoot and Akira is on the run. As Mina prays for his success, she must also watch her back for betrayal.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
